

Will the decisions you make today fulfill your needs  
but also help benefit the needs of future generations?

**Great Floors has your answer!**

**TAKE A COMPREHENSIVE  
APPROACH TO PURCHASING...**

Whether you're a Facilities Manager, State Procurement Officer, or Purchasing Administrator, we know that your resources are limited and the decisions you make today will affect future generations for years to come. We understand that although your budgetary resources may be regulated your floor coverings performance shouldn't be. Thankfully, when it comes to selecting the appropriate flooring for your facility Great Floors is here to help. With today's compliance issues as well as our own elevated awareness of sustainable practices we realize that you need to choose products that will not only create uniform standards, but also generate long term costs savings. Whether you desire support with writing a definitive purchase agreement or desire to specify by the individual project we're here to assist. We are one of the largest floor covering companies in America with 18 convenient Northwest locations. We offer literally thousands of flooring options, from carpet to hard surfaces, including rubber flooring, ceramic tile, multi purpose products and many...many more.

**GET GREAT INSTALLATION WITH  
MINIMAL DISRUPTION...**

We know that depending on how your floor is installed can greatly impact its performance. Great Floors uses the latest technologies and craftsmen to ensure a proper, successful, and safe installation. We also know that installing a new floor can be a distraction to your occupants. That's why, at Great Floors we believe in total project management. We will handle your entire project from planning to execution including moving your furniture or providing a furniture lift system for your workstations, removing your existing flooring, and installing your new product. And we'll do the job in a timeframe which least impacts your occupants including after hours schedules and/or weekend schedules to minimize disruptions and distractions.

**MAINTAIN YOUR STANDARDS**

A standard maintenance program can significantly extend the life of your floor. A properly maintained floor also promotes the health and well-being of your occupants. Great Floors Maintenance Services will help you devise a cost-effective maintenance plan and ensure that the maintenance service you receive will produce the best results for your floor. Whether it's on site training of your existing staff, or our own services, our maintenance procedures will keep your floors looking and feeling new for years and years to come.
