

A warm and attractive environment just makes you feel better.

How do your patients feel?

## Great Floors has your answer!

**CHOOSE FLOORING DESIGNED ESPECIALLY FOR HEALTHCARE ENVIRONMENTS...**

**D**id you know that a sterile environment need not look so, well, sterile. At Great Floors we understand that when it comes to healthcare, cleanliness is an obvious imperative. Durability, too. What might not be so obvious are some of the flooring options that are available. Thankfully, when it comes to selecting flooring for your healthcare facility Great Floors is here to help. We are well equipped to help you balance your aesthetics with products that won't end up in the emergency room at the slightest instance of abuse. We offer literally

thousands of flooring options from carpet to hard surfaces, as well as products especially suited for clinical settings such as operating rooms and other patient care areas. And because we are one of the largest floor covering companies in America with 18 convenient Northwest locations finding the floor you need means you don't have to look very far.

**GET GREAT INSTALLATION WITH MINIMAL DISRUPTION...**

**W**e know that depending on how your floor is installed can greatly impact its performance. Great Floors uses the latest technologies and craftsmen to ensure a proper, successful, and safe installation. We also know that installing a new floor can be disruptive to patient care, but often times it shouldn't have been. That's why at Great Floors we believe in total project management. We will handle your entire project from planning to execution including moving your furniture or providing a furniture lift system, removing your existing flooring, and installing your new product. And we'll do the job in a timeframe which least impacts

your patients, including after hours schedules and/or weekend schedules to minimize disruptions and disturbances.

**AND...KEEP YOUR FLOOR IN GOOD HEALTH...**

**T**he appearance of your facility can say a lot about the quality of patient care. A properly maintained facility can also promote the health and well-being of your patients. Great Floors Maintenance Services will help you devise a cost-effective maintenance plan and ensure that the maintenance service you receive will produce the best results for your floor. Our flooring maintenance services will keep your floors looking and feeling new for years and years to come.
