

Does your retail environment present your business to your customers in the best way possible? Does it make them feel comfortable and most importantly... does it entice them?

## Great Floors has your answer!

### PROVIDE A FUNCTIONAL YET ENTICING ATMOSPHERE...

Whether you're a store owner or a store manager you don't have to have a Rodeo Drive budget to look like a million bucks. You should, however, be looking at your stores space differently than you did a decade ago and investing in it versus merely spending money on it. Thankfully, when it comes to selecting the correct flooring for your retail environment Great Floors is here to help. We are one of the largest floor covering companies in America with 18 convenient Northwest locations. We offer literally thousands of flooring options, from carpet to hard surfaces, including hardwood, ceramic tile, stone

and many, many more. Because we are in the same business, we realize how important it is to ensure that the products you select not only meet your budget but also meet your performance requirements. But most importantly... we realize that you need products that will make your customers feel comfortable in their shopping environment so they have a memorable experience that keeps them coming back for more.

### GET GREAT INSTALLATION WITH MINIMAL DISRUPTION...

We know that depending on how your floor is installed can greatly impact its performance. Great Floors uses the latest technologies and craftsmen to ensure a proper, successful, and safe installation. We also know that install-

ing a new floor can be a disruption to your customers which usually ends up costing you money. That's why, at Great Floors, we believe in total project management. We will handle your entire project from planning to execution including material pattern layouts and estimating, moving your furniture and fixtures, removing your existing flooring, and installing your new product. And we'll do the job in a timeframe which least impacts your business and your customers, including after hours schedules and/or weekend schedules to minimize disruptions and downtime.

### AND...KEEP THEM COMING BACK FOR MORE...

The appearance of your stores floor can have a direct impact on your bottom line. A properly maintained floor also promotes an enticing atmosphere for your customers that not only draws them into your store but keeps them coming back. Great Floors Maintenance Services will help you devise a cost-effective maintenance plan and ensure that the maintenance service you receive will produce the best results for your floor. Our flooring maintenance services will keep your floors looking and feeling new for years and years to come and we all know that a good looking store is usually a profitable one.
